

House Move – Vehicle/load not exceeding 80,000 pounds and 16 feet wide may be moved on two-lane highways with permit. Buildings not exceeding 20 feet wide may be moved on multiple-lane highways with a median barrier or median strip with permit. Exceptions to these general provisions may be proposed to the Region Administrator or his designee. House move permits are issued by the DOT regional office the move is in.

References: WAC 468-38-360

Fee: \$10.00

Issuing a House Move permit

- Type in the first three letters of the company the permit is for.
- Click on the search button
- Select a vehicle by clicking on the down arrow

****User can also search for vehicle by License Plate, VIN or Unit number.**

- Select House Move or type the "H" key House Move will populate the Select Permit field.
- Click the Proceed link to move to the next screen

- The permit must have a start date to validate the permit. The user can click on the calendar that is next to the Start Date field and select the date they want.

- Enter in the dimensions of the load in the corresponding fields

****Any special condition or restriction set by the regional administrator should be typed in the Other Information field*****

- Next select any of the restrictions that apply to the move.

To select multiple restrictions; hold down the Control key and with your mouse and click the restrictions.

At this screen the user will select the payment type.

NOTE: If the check option was selected a check number should be provided.

Next the user will need to enter in the routes of travel; this includes highways and beginning and ending mileposts.

Mileposts are available on our website:
www.wsdot.wa.gov/commercialvehicle/; under the map section.
